John T. Young, Jr.

Overview

John Young is a leader with unique qualifications stemming from 25 years of governance, executive and advisory experience in special situations. His expertise has been deployed by key constituents across the capital structure in both in-court and out-of-court restructurings. Mr. Young has conducted time and issue sensitive board investigations and provided expert testimony in significant business and corporate bankruptcy cases, with a focus on valuation and solvency-related issues. In addition to holding multiple professional accreditations, he maintains an active CPA license and meets the qualifications of an audit committee financial expert.

Governance Roles (Representative)

Talis Biomedical Corporation (NASDAQ: TLIS), Independent Director, Audit Committee Chair

Serve as independent director and responsible for independent oversight of a pending class-action securities fraud litigation against the company and its directors. *In re Talis Biomedical Sec. Litig., No. 1:22-cv-00105-SI (N.D. Cal.)*

Chicken Soup for the Soul Entertainment (NASDAQ: CSSE), Independent Director

Recently served as an independent director and member of the board's Strategic Review Committee. The independent director role was determined necessary to address concerns surrounding insider conflicts and related party transactions.

CANarchy, Independent Director

Served as independent director through a series of transactions resulting in the company's February 17, 2022, sale to Monster Beverage Corporation (NASDAQ: MNST). Role involved independent oversight of transactions including management of 'fairness' analysis.

Echo Energy Partners I, LLC, Independent Director

Served as independent director through the consummation of a restructuring transaction resulting in the free and clear sale of assets to Red Bluff Resources, LLC.

Oak Ridge Natural Resources and Pinedale Energy Partners, Independent Director

Served as independent director through a transaction of Pinedale Energy Partners to UP Energy, LLC. Role involved leading negotiations with secured lenders and negotiating relief from minimum volume commitments in connection with an uneconomic natural gas midstream agreement.

Frontera Holdings LLC, Investigations Expert

Retained on behalf of the Disinterested Managers to conduct investigations in connection with intercompany transactions and other transactions and investment decisions among subsidiaries within parallel investment structures.

Sheridan Holding Company I, LLC, Investigations Expert

on behalf of the independent directors to conduct investigations into the reasonableness of management fees and expense allocations across parallel investment structures, evaluate transactions across various funds and investment vehicles, and perform solvency analysis to determine the potential basis for fraudulent transfer litigation.

Interim Management Positions (Representative)

Gold Standard Baking, Chief Restructuring Officer (Bankr. D. Del. Case No. 22-10559)

Managed multi-year restructuring of a commercial bakery following a loss of workforce resulting from the employment of undocumented workers. Created significant value through the renegotiation of key contracts which were later monetized as part of a sale of one of the business units. Subsequently identified multiple opportunities to restructure the remaining business and ultimately arranged an assignment of the first-lien debt to an investor group that included management. The assigned debt was equitized through a Chapter 11 process, creating a de-levered going concern and preserving approximately 300 jobs.

Ravn Air Group, Chief Restructuring Officer (Bankr. D. Del. Case No. 20-10755)

Retained in April 2020 at the height of COVID-19 lockdowns, managed the suspension of operations, de-levering and restructuring of RavnAir, the leading provider of passenger, mail, freight and medical flight services to rural Alaska. Through Chapter 11, managed the liquidation and de-levering process while identifying a financial partner to take assignment of the FAA Part 121 and Part 135 certificates

Delta Petroleum (NASDAQ: DPTR), Chief Restructuring Officer (Bankr. D. Del. Case No. 11-14006) & Par Petroleum (NYSE: PARR), Chief Executive Officer

Managed a multi-year restructuring process following the company's investment of over \$1.4 billion in failed exploratory oil and gas wells. Following a failed sale process, managed a restructuring of the balance sheet centered around a \$1.4 billion IRC §382(l)(5) qualifying NOL. Following the restructuring of the business, the role continued as interim Chief Executive Officer charged with identifying and acquiring appropriate assets allowing use of the NOL carryforward, including trading operations and a refinery in the Hawaiian Islands.

John T. Young, Jr.

John T. Young, Jr.

Creditor Trust Roles (Representative)

Ravn Air Group Liquidating Trust, Liquidating Trustee (Bankr. D. Del. Case No. 20-10755)

Responsible for leading the liquidation of aircraft, aircraft parts, real estate, tooling, and ground equipment and also prosecuting litigation for the benefit of both secured and unsecured creditors. Additional responsibilities involved the collection of disputed receivables from the U.S. Postal Service and other governmental entities. The liquidation process resulted in recoveries to both secured and unsecured creditors that significantly exceeded plan projections.

CJ Holding Co, Unsecured Claims Representative (Bankr. S.D. Tex. Case No. 16-33590)

Designee under the plan of reorganization responsible for representing the interests of approximately \$1.3 billion of unsecured creditor claims. The role involved leadership over certain claims litigation, liquidation of public warrants designated for the benefit of unsecured creditors, and oversight involvement over the debtor's post-confirmation activities through consent and consultation rights. After a six-year process, the distributions to unsecured creditors exceeded confirmation date estimates by approximately 35%.

LINN Energy, LLC, LINN Creditor Representative (Bankr. S.D. Tex. Case No. 16-60040)

Designee under the plan of reorganization responsible for representing the interests of holders of allowed general unsecured claims. The seven-year process involved extensive litigation in connection with over \$15 billion of disputed claims. With consent and consultation rights, the role required significant participation in settlements and other actions of the debtors which influenced recoveries to unsecured creditors. The LINN Energy Chapter 11 matter was one of the largest energy cases filed with funded debt exceeding \$7 billion.

Delta Petroleum General Recovery Trust and Wapiti Recovery Trust, Trustee (Bankr. D. Del. Case No. 11-14006)

Responsible for oversight of two trusts stemming from the Delta Petroleum Chapter 11 cases. The Wapiti trust was funded to prosecute fraudulent transfer claims against Wapiti Oil and Gas and the general recovery trust was funded to prosecute claims objections.

Houston Regional Sports Network, Disbursing Agent (Bankr. S.D. Tex. 13-35998)

Selected by stipulation between the Houston Rockets NBA team, the Houston Astros MLB team, and Comcast Corporation to serve as Disbursing Agent empowered to prosecute claim objections, negotiate compromises and settlements of claims, and oversee plan distributions in connection with allowed claims.

International and Cross-border Experience (Representative)

Fellow of INSOL International (2024), INSOL International is the global federation of national associations of accountants and lawyers specializing in turnaround and insolvency, with approximately twenty Fellows inducted each year. The Fellows program serves as the highest recognition of international insolvency qualifications.

Buccaneer Resources, LLC and Buccaneer Energy Ltd. (ASX: BCC), Chief Restructuring Officer

Led restructuring of Australia-listed oil and gas exploration business through a US Chapter 11 with recognition as a foreign main proceeding in Australia under UNCITRAL Model Law on Cross-Border Insolvency. The Buccaneer restructuring is the first instance of the Australian courts recognizing a Center of Main Interest (COMI) beyond the country of incorporation and then granting recognition of a US Chapter 11 plan under Model Law.

Confidential Client – \$6 Billion Infrastructure Project in the Cooperative Republic of Guyana, Restructuring Advisor

Retained to serve as restructuring advisor to a confidential infrastructure project in Guyana to advise on managing exposure to various risks including the project's lead EPC contractor seeking protections under a UK Scheme of Arrangement and a Dutch WHOA. One of the many responsibilities of the advisory mandate involved leading discussions with the EPC's executive management team and working with client executives on the development of contingency plans related to the restructuring of the EPC.

Cobalt International Energy (NYSE: CIE), Restructuring Advisor

Served as financial advisor to the Official Committee of Unsecured Creditors which included the indenture trustee of funded unsecured debt of \$1.4 billion. Insolvency was tied directly to a failed sale process of its Angolan assets resulting from a contract breach by Sonangol, the state oil company of the Republic of Angola. Cobalt subsequently commenced a Chapter 11 process to facilitate negotiations with Sonangol and to conduct a sale process of its U.S. Gulf of Mexico assets. As lead restructuring advisor for creditors, engineered negotiating leverage contributing to incremental recovery from Sonangol of \$350 million.

Hudson Advisors, Seoul, Republic of Korean

Provided analytical support to Lone Star Opportunity Funds' multibillion-dollar investments in Korea during the Asian financial crisis of the late 1990s.

John T. Young, Jr.
